

Dutch (and Flemish) are regulated by the Taalunie: <http://taalunie.org>  
If you have very difficult questions about the Dutch language you can send them an email.

The Taalunie (literally: 'Language Union') publishes the Groene Boekje ('Green Booklet') with the correct spelling of all the words in Dutch. It's also available on line on <http://woordenlijst.org/#/>

Reference dictionary is the Van Dale, there's a free dictionary available here: <http://www.vandale.be>

All those websites are in Dutch, but by typing in the words in the search ('zoek') function, you're already on your way.
