

<http://www.mylanguageexchange.com/Search.asp?selCountry=63&selX13=true>
On this website, you will find many partners as well as some resources like games and so on. Check it out!

<http://www.italki.com/partners/dutch>
Same concept - different website. Find language partners!

<https://www.conversationexchange.com>
<http://www.papora.com/language-exchange-countries/netherlands>

These websites can ask a small fee. Alternatively, you can always ask your friends, colleagues if they can set you up with someone. Have also a look on Facebook whether there are some language exchange organisations in your neighbourhood. Or contact your local council if you're in the Netherlands or in Belgium.
